

The Ace Gift Wrapping Service Wrap Bar

How It Works

We bring our wrapping operation to you, including all supplies plus tables, festive signs, and decorations, (and during the holidays, candy canes) and set up in the area of your choice. Your guests bring their gift items to us, filling out claim tags for each one specifying their names, phone numbers, and the wrapping paper they'd like. We give them claim tag stubs and pick-up times. They leave, and we wrap. When they return, we match their claim stubs to their tags, give them their beautifully wrapped gifts, and away they go, happy to scratch this holiday chore off their lists.

That's typically how we do it anyway. We tailor all our services to reflect what you want, and can adapt the Wrap Bar to suit your needs.

Options and Costs

Since each Wrap Bar experience is unique, we're happy to create a proposal to reflect the particulars of what you'd like. But here are the basics:

\$160 plus materials & sales tax – One wrapper at one table offering a selection of three wrapping papers with matching ribbons and gift tags for two hours; can wrap approx. 4 – 8 gifts per hour depending on the amount of guest interaction. Each additional hour is \$35 plus materials.

\$300 plus materials & sales tax – Two wrappers at one or two tables offering a selection of three wrapping papers with matching ribbons and gift tags for two hours; can wrap approx. 10 – 18 gifts per hour depending on the amount of guest interaction. Each additional hour is \$70 plus materials.

\$460 plus materials & sales tax – Three wrappers at two or three tables offering a selection of five wrapping papers with matching ribbons and gift tags for two hours; can wrap approx. 16 – 28 gifts per hour depending on the amount of guest interaction. Each additional hour is \$105 plus materials.

\$610 plus materials & sales tax – Four wrappers at three or four tables offering a selection of five wrapping papers with matching ribbons and gift tags for two hours; can wrap approx. 22 – 38 gifts per hour depending on the amount of guest interaction. Each additional hour is \$140 plus materials. Additional wrappers are \$35 per hour with a two-hour minimum.

Materials – we charge materials cost separately so you don't have to pay for materials you doesn't use. We track what we wrap, then invoice you for the materials after we're done. The cost is simple:

\$4 small gifts

\$5 medium gifts

\$6 large gifts

\$7 extra large gifts

\$8+ extra-extra large gifts

So, for example, a typical two-hour, two-wrapper Bar would cost about \$500 including materials and sales tax. But again, we make every Wrap Bar experience unique, and we're happy to draft a proposal for you today.
